JUNE - JULY 2020

FROM THE PRINCIPAL'S DESK

At the outset a very warm and cordial welcome to Rev. Fr. Benny Nalkara CMI our New Manager and Provincial. Prior to this Fr. Benny was Professor in Theology at Dharmaram Vidya Kshethra, Bangalore. A hearty welcome to the Vicar Provincial and the Provincial Councillors of the SH Province.

At this juncture we express our heartfelt gratitude to our former Manager and Provincial Rev. Dr. Jose Kuriedath CMI for the dynamic leadership all through his tenure. We wish Rev. Dr. Jose Kuriedath success in all his future endeavours.

Our students have performed extremely well for this AISSCE and AISSE examination and we applaud and appreciate our students for their outstanding results. Congratulations!

Conquering initial hurdles, we have succeeded in delivering content in the best way possible in this pandemic, keeping in mind the Rajagiri benchmark of perfection. Digital teaching and learning have become almost normal and students and faculty have adopted and adapted to the same.

The initial vision of a bleak future has turned into magical moments of creativity because we took up the challenge to successfully harness the challenges of the new normal. We are confident that within limitations everything possible is being done to keep up to all schedules and stay connected.

We have been successful in delivering engaging classes with lively chat-rooms. Our timetable includes, Music, Library, Dance, Yoga, Games, PE, Art and classes on well-being. It has been made absolutely comprehensive and holistic. Assessments/ examinations for as per schedule goes on without hassle.

Various events were conducted virtually and the videos have been shared on website and YouTube of the Initiation Ceremony, Environment Day, Yoga Day, Independence Day, a unique Investiture ceremony and ofcourse Onam.

Let us continue seeking fresh avenues to better ourselves and trust the future in the mighty Hands of the Almighty.

Mrs. Saji Varghese, Principal

OUR SINCERE GRATITUDE

VERY REV. DR. JOSE KURIEDATH CMI
Provincial and Manager (2017-20)

A WARM WELCOME

VERY REV. FR. BENNY NALKARA CMI
Provincial and Manager

INITIATION CEREMONY ...with a difference

RCJPS conducted the Initiation Ceremony virtually. Our Director, Rev. Fr. Augustine Mampilly CMI, along with our Principal, Mrs. Saji Varghese addressed parents and students and lit the ceremonial lamp. Students compered the show from the comfort of their homes. They also rendered group songs and delivered speeches. Putting it all together was a massive effort by the management and our young techie teachers. All in all, our first foray into virtual programmes was a stupendous success. It can be viewed on You tube.

It was very early in the morning and still dark. Jesus got up and left the house. He went to a place where he could be alone. There he prayed. Mark 1: 35

Prayer was important to Jesus. He loved talking with His Heavenly Father. No matter how tired or busy he was, Jesus always spent time praying. Jesus wants us to pray too. He teaches us how to pray. And we have many great reasons to pray.

Jesus took special time out to pray. We should do that too.
Thanks for being someone I can always talk too.

RCJPS....WHERE EDUCATION IS A PRIORITY AND NOTHING COMES IN ITS WAY OF SURGING AHEAD

NEW IT SYSTEMS

The management quickly rallied and zeroed in on Microsoft Teams as its online platform for virtual classes. Tata Class Edge digital content has been made available to all students and teachers

TRAINING ALL THE WAY...

Microsoft training was imparted to teachers. In-house and personal training continued along with mock-classes....and finally came the take-off. The same training was imparted to students.

VIRTUAL WELCOME TO 2020

Teachers welcome each student to the new academic year through video conferences. Students stay connected to school through regular video-calls apart from virtual classes.

WE LOVE MOTHER EARTH ENVIRONMENT DAY PROGRAMME

Negligence in protecting Nature and Mother Earth can lead to dire catastrophe. RCJPS wanted to instill this awareness in our young ones from an early age. Once again, students captured videos of songs and speeches to join us in reiterating the message that Earth requires to be healed. Children participated enthusiastically in friendly competitions such as drawing, writing poems and creating sustainable earth-friendly products, as part of the programme.

INTERNATIONAL YOGA DAY... keeping us fit and fine

The PE Department is credited with recording Yoga exercises to keep our children and their families healthy. Some of our student Yoga enthusiasts recorded yoga workouts.

READING MONTH...

The Reading Month activities were done with great interest by the Primary School. Children enjoyed reading books, watching classic movies, writing book reviews, speaking about their favourite books, making book marks etc....
