Dear Parent,

Greetings from RCJPS!

We sincerely hope that you and your family are safe and fine amidst this pandemic.

As you are aware the Grade X Board Examination has been cancelled, ofcourse keeping in view the safety of our children. Schools have been given the responsibility to finalize the results of students according to the new mathematical module and rationale suggested by the CBSE. We have also formed a result committee with two external members as per instructions. The result will be tabulated and uploaded according to the directives sent by CBSE by June 2021. In spite of the uncertainties prevailing, we have proceeded with the Grade XI provisional admission as instructed by the CBSE and will begin sessions by **TUESDAY, 01 JUNE 2021**.

PLEASE NOTE THE FOLLOWING

1. UNIFORMS

The purchase/stitching of new uniforms can wait till we are certain about resuming physical classes. There are chances for senior students to attend classes in the offline mode, though in the long run. You may get in touch with the vendor for new uniform should the situation ease, later. **Refer Annexure for details.**

2. TEXTBOOKS & NOTEBOOKS

Owing to the current scenario, e-books maybe used which can be downloaded from the NCERT website (<https://ncert.nic.in/textbook.php>). They can either be used as pdf files or printed chapter-wise, according to the requirement. A 200-page notebook per subject can be used for the online classes. Unused notebooks from the previous academic year, also may be used. Please ensure that your child has one notebook per subject for the time being. You can collect the **NOTEBOOKS FROM SCHOOL** post lockdown, and **TEXTBOOKS** can be procured from all H&C outlets. H&C also has facility for door delivery (Tele Booking No.: 9496334436). List of textbooks will be shared by your respective class teacher. **Refer Annexure for details.**

Any requests/communication to the school office, should be through the parent/guardian only. We receive a lot of emails directly from students regarding change of subjects, reference letters etc. This is strictly discouraged.

This academic year (2021-22) may appear to be the same for children. However, we assure you that classes and activities will proceed at its best with thorough cooperation and support from the Rajagiri Management. We will also ensure a balance between Scholastic & Co-scholastic areas so that our education is holistic in nature. More activities on empowering our senior students are in the pipeline. We will ensure that all kind of support be extended and do feel free to contact us incase of any support/clarification.

With the vaccination being distributed to ages 18 and above, we sincerely hope that it reaches every doorstep and life hits the reset button at the earliest. Until then, stay home, stay safe. We all need to work together to bring an end to this pandemic.

Thank you for your unwavering support and the trust you have laid in the Rajagiri Management. Rajagiri has always been in the forefront and we do empathize with all our stakeholders who have been victims of the pandemic. Let's hope for the best turn of events, at the earliest. Until then, stay home, stay safe.
