Dear Parent,

Hope all well your side.

I believe that your ward has settled in well and doing good with online classes. The Class teacher would have already interacted with you and given you the necessary information. We began classes on 17 May 2021 and now we have already completed 04 weeks of classes. According to the feedback, I received from teachers all the students have managed to get their required textbooks and necessary notebooks. In order to ensure that they work systematically and consistently and to also enable them to prepare for their Assessments/Tests/Examinations in advance I am sending the schedule along with the portions for the same.

Do motivate and encourage your ward to put in his best. We from our side assure you our best.

The upcoming UNIT TEST I will be conducted as follows

Examination : 05:00pm to 06:30pm

Uploading the answer sheets : 06:30pm to 07:00pm

Do take care and stay safe.

Kind regards,

Mrs. Saji Varghese
PRINCIPAL
