VVM-2021

Dear Parent,

Vidyarthi Vigyan Manthan (VVM) is a national program for educating and popularizing science among school students of VI to XI standards. VVM also endeavors to identify the bright minds among the student community, who are keen on subjects related to science.

The 10th Vidyarthi Vigyan Manthan (VVM) 2021-22 for school students of classes VI to XI will be conducted on 30th November 2021 and 5th December 2021. VVM 2021-22 will be India's first open-book science talent search examination to be held in 12 Indian languages and designed to be carried out using digital devices (App based). There will be only one examination for a total of one hour thirty minutes duration at school level with 100 multiple choice questions, each weighted for one mark. This 90 minute examination can be attempted by the students on any of the exam dates between 10:00 am to 8:00 pm from the comfort of their home and following all COVID norms.

There will be only one online examination for a total of one hour thirty minutes duration at school level with 100 multiple choice questions, each weighted for one mark.
